# Taking Part Without Pressure

There are lots of ways to join in. Two cards per page.

Name or symbol: _____ Date: _____ Subject: _____

**Today I'll join in like this:**

- ☐ I write down my idea.
- ☐ I talk to one person.
- ☐ I show my answer.
- ☐ I draw or highlight something.
- ☐ I need thinking time first.

**My next small step is:**

You don't have to be loud for your learning to be seen.

If talking doesn't work right now, pick another way.

Hand out before a discussion. No one reads the cards aloud, and the name can stay blank.
